WHERE ARE THE NEGOTIATORS?

Men Who Stand In The Gap

God is dealing with me over some issues and I believe some are like I was. I am not a hateful person but I have hidden behind morality to condemn people.

Psalm 106:23

Therefore He said that He would destroy them, had not Moses His chosen stood before Him in the breach, to turn away His wrath, lest He should destroy them

Beloved! Our God is a God who hates sin. He is holy -Scripture says- and it's His nature to be Holy. In order to reconcile us unto Himself, He needed someone who is Holy and Love... not loving, but LOVE. FOR HE IS LOVE. The scripture above shows that God was at a point He just wanted to destroy them but another man from within the sinners who considers himself under grace could ascend unto the Heavens on his knees and turn the wrath of the Creator away from destroying others. What at all did he have?

Angels can't turn His heart. Not the 24 elders. He takes counsel in Himself but why did a mere man turn God's anger off men so that day, they lived! What would have happened if He didn't?

WHERE ARE THE NEGOTIATORS?

Men Who Stand In The Gap

It's true they were rebellious, disobedient, worshipping idols, insulting the nature of God just like the homosexuals, lesbians and thieves in our day. See there are many people around us who are maybe more immoral than us so they deserve what is coming... At least that's how we reason:

"See how She dresses to church, see how she speaks to others, see how they fornicate, now they call homosexuality human rights" "The day the wrath of God will fall on them eh! They will see"

Some of us have had these thoughts before. Moses saw how detestable their acts were yet pleaded. Many have stopped pleading for sinners. We are waiting for them to be used as an example to show others. If God will just send fire and consume some gay pride march somewhere, all gays will know there is God. Mercy Lord! How many have had similar thoughts about immoral people? What Sodom and Gomorrah lacked were intercessors from within! Abraham interceded for His people by **NEGOTIATING WITH A GOD WHO HAS ALREADY DECREED JUDGEMENT ON SINNERS.**

WHERE ARE THE NEGOTIATORS?

Men Who Stand In The Gap

Abraham was in a place to change those decrees. The place of an intercessor! It's a HUGE place where angels would never understand. Angels had to stop whatever they were doing to send answers to Daniel. When there was trouble, the Strongest had to be sent -Michael. Just because an Intercessor had engaged the bargaining line of Prayer. Beloved, many of these people could be LOTS and Family, caught in the line of sin... where are the Abrahams? LOT would have died if Abraham had not engaged God I am sure the angels were amazed.

Isaiah 59:16

And he saw that there was no man, and wondered that there was no intercessor: therefore his arm brought salvation unto him; and his righteousness, it sustained him

No intercessors in our day, just people who wish judgement will come quickly to prove that we are RIGHT! To prove that we are on the right path. Lord shall we call down fire on these people? Many think such thoughts. If only the ground shall open and swallow the Korah of our times They will know there is God! Shame on us!

Where are the intercessors? They who will call upon God day and night for Gay people to know Him. For the Atheist to Know God. For the Fornicator to stop his ways.

WHERE ARE THE NEGOTIATORS?

Men Who Stand In The Gap

Where are the NEGOTIATORS?

Ezekiel 22:30

And I sought for a man among them, that should make up the hedge, and stand in the gap before me for the land, that I should not destroy it: but I found none.

I sought for a man, a Negotiator, an Intercessor, an Abraham from among them. A man from among them. This man has seen their ways, he is a righteous, godly man yet would not permit that God destroys them. Today you and I want them destroyed. Lord have mercy on my Soul.

He found none. Where are they? You say you can't pray for Long, have you prayed about the thieves? The prostitutes? The drug addicts? The homosexuals? The murderers? Or they can die? The earth should swallow them?

Isaiah 64:7a

There is no one who calls on Your name, Who arouses himself to take hold of You

There is no man. May we be NEGOTIATORS! Skilled in our trade. May we not watch souls slip off. If they must, let it be over our bodies bidding them not to!
